Käyttöohje - Suomi

Kynsipöytäimuri Pro Kristalli Pink (14401)

Ammattilaistason Kynsipölynkerääjä – Tehokas imuteho, hiljainen käynti & älykäs suodatinjärjestelmä
Pidä työpisteesi puhtaana ja hengitysilma terveellisempänä tämän ammattilaistason kynsipölynkerääjän avulla. Laite tarjoaa voimakkaan turboimutehon, joka kerää tehokkaasti myös kaikkein hienoimman pölyn viilauksen ja kiillotuksen aikana – suojaten sekä käyttäjää että asiakasta pölyn hengittämiseltä.
Laadukas harjaton moottori takaa voimakkaan imutehon, mutta hiljaisella äänellä, mikä tekee työskentelystä miellyttävämpää. Säädettävä imuteho mahdollistaa optimaalisen tehon niin geelikynsille, akryyleille kuin luonnonkynsille.

KÄYTTÖ

Kynsipöytäimuri käynnistyy kun pyörität nopeudensäätönappia. Samasta napista säädetään imurin teho.

VAROITUKSET

Älä käytä tätä laitetta kylpyammeen, suihkun, altaan tai muun vettä sisältävän astian lähellä. Kun laitetta käytetään kylpyhuoneessa, irrota se pistorasiasta käytön jälkeen, koska veden läheisyys aiheuttaa vaaraa myös laitteen ollessa sammutettuna.
Lapset joiden ikä on 8 vuotta tai yli ja henkilöt, joilla on rajoitettu fyysinen, aistinvarainen, henkinen ominaisuus tai kokemuksen ja tiedon puute saavat käyttää tätä laitetta ainoastaan, jos heitä valvotaan tai heitä on opastettu laitteen turvalliseen käyttöön ja he ymmärtävät laitteen käytössä esiintyvät vaarat. Lapset eivät saa leikkiä laitteella. Lapset eivät saa suorittaa puhdistamista ja käyttäjän huoltotoimenpiteitä ilman valvontaa.

TAKUU

Tuotteella on yhden (1) vuoden takuu. Takuu kattaa laitteen takuuaikana esiin tulevat valmistusvirheet. Takuu ei kata normaalia laitteen kulumista ja siitä johtuvia vikoja. Tuotteita täytyy käyttää ohjeiden mukaisesti ja laitteen ylikuormittaminen ei ole takuun alainen vika. Laitteet pitää puhdistaa säännöllisesti, koska lika lyhentää tuotteen käyttöikää. Jos laitetta käytetään ammattikäytössä, takuuaika on puolet normaalista takuuajasta. Takuu ei sisällä tuotteen toimituskuluja takuuhuoltoon vaan asiakkaan täytyy maksaa toimituskulut itse tai tuoda laite myymäläämme huoltoon. Takuuhuollon jälkeen tuote toimitetaan asiakkaalle takaisin edullisimmalla tavalla.

HÄVITTÄMINEN

Tuotetta ei saa hävittää kotitalousjätteen mukana. Toimita tuote sähkö- ja elektroniikkaromun keräyspisteeseen paikallisten ohjeiden mukaisesti.

HUOLTO JA ASIAKASPALVELU

Vikatilanteissa, takuuasioissa ja huoltotarpeissa ota yhteyttä maahantuojaan. Älä käytä vaurioitunutta tuotetta.

Bruksanvisning - Swedish

Nail Dust Collector Pro Crystal Pink (14401)

Professionell Kynsipölynkerääjä – Effektiv sugkraft, tyst drift & smart filtersystem
Håll din arbetsplats ren och din andningsluft hälsosammare med denna professionella Kynsipölynkerääjä. Enheten erbjuder en kraftfull turbo-sugkraft som effektivt samlar även det finaste dammet under filning och polering – vilket skyddar både användaren och kunden från att andas in damm.
En högkvalitativ borstlös motor garanterar en kraftfull sugkraft, men med tyst ljud, vilket gör arbetet mer behagligt. Justerbar sugkraft möjliggör optimal effekt för både gelénaglar, akrylnaglar och naturliga naglar.
Ett smart filtersystem skyddar motorn och förlänger filterlivslängden.

ANVÄNDNING

Kynsipöytäimuri startar när du vrider på hastighetsreglaget. Samma knapp används för att justera dammsugarens effekt.

VARNINGAR

Använd inte apparaten nära badkar, dusch, handfat eller andra kärl som innehåller vatten. När apparaten används i badrum, dra ur kontakten efter användning eftersom närheten till vatten utgör en fara även när apparaten är avstängd.
Barn från 8 år och personer med nedsatt fysisk, sensorisk eller mental förmåga eller bristande erfarenhet och kunskap får endast använda apparaten om de övervakas eller har fått instruktioner om säker användning av apparaten och förstår de risker som användningen innebär. Barn får inte leka med apparaten. Barn får inte utföra rengöring eller användarunderhåll utan tillsyn.

GARANTI

Produkten har ett (1) års garanti. Garantin täcker tillverkningsfel som uppstår under garantitiden. Garantin täcker inte normalt slitage eller fel som beror på slitage. Produkten ska användas enligt anvisningarna och överbelastning omfattas inte av garantin. Apparaten ska rengöras regelbundet eftersom smuts förkortar produktens livslängd. Vid professionell användning är garantitiden hälften av den normala garantitiden. Garantin omfattar inte fraktkostnader till garantiservice; kunden betalar frakten själv eller lämnar produkten till vår butik för service. Efter garantiservice returneras produkten på det förmånligaste sättet.

AVFALLSHANTERING

Produkten får inte kasseras med hushållsavfall. Lämna produkten till en lämplig insamlingsplats för el- och elektronikavfall enligt lokala anvisningar.

SERVICE OCH KUNDTJÄNST

Vid fel, garantifrågor eller behov av service, kontakta importören. Använd inte en skadad produkt.

User manual - English

Nail Table Vacuum Pro Crystal Pink (14401)

Professional-grade Nail Dust Collector – Powerful suction, quiet operation & smart filter system
Keep your workstation clean and your breathing air healthier with this professional-grade nail dust collector. The device offers powerful turbo suction that effectively collects even the finest dust during filing and polishing – protecting both the user and the client from inhaling dust.
The high-quality brushless motor ensures strong suction power while operating quietly, making work more pleasant. The adjustable suction power allows for optimal performance for gel nails, acrylics, and natural nails.
The smart filter recognition system protects the motor and extends the filter's lifespan.

INSTRUCTIONS

The nail table vacuum starts when you rotate the speed control knob. The same button is used to adjust the vacuum's power.

WARNINGS

Do not use this appliance near a bathtub, shower, basin or any other vessel containing water. When the appliance is used in a bathroom, unplug it after use because proximity to water presents a hazard even when the appliance is switched off.
Children aged 8 years or over and persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, may use this appliance only if they are supervised or have been instructed in the safe use of the appliance and understand the hazards involved. Children must not play with the appliance. Children must not carry out cleaning or user maintenance without supervision.

WARRANTY

The product has a one (1) year warranty. The warranty covers manufacturing defects that appear during the warranty period. The warranty does not cover normal wear and tear or faults caused by such wear. The product must be used according to the instructions, and overloading the device is not covered by the warranty. The device must be cleaned regularly because dirt shortens the product lifetime. If the product is used professionally, the warranty period is half of the normal warranty period. The warranty does not include shipping costs to warranty service; the customer must pay the shipping costs or bring the product to our store for service. After warranty service, the product will be returned to the customer using the most economical method.

DISPOSAL

Do not dispose of the product with household waste. Take it to an appropriate collection point for electrical and electronic waste according to local instructions.

SERVICE AND CUSTOMER SUPPORT

For faults, warranty questions or service needs, contact the importer. Do not use a damaged product.
